ORGANISER

Central European Academy

DATE OF THE CONFERENCE

23-24 November 2023

VENUE OF THE CONFERENCE

CEA - Diósgyőr auditorium

(Major Udvar Office Building, HU-1122 Budapest, Városmajor utca 12-14.)

CONCEPT

The research aims to examine how the Member States of the European Union, and in particular individual institutions, operate (and can operate), in achieving a cooperative cohabitation, and what processes and institutions might need to be rethought (e.g. redefining EU and Member State competences, revising the principle of preemption, better understanding of the process of federalism, etc.).

The 'Federalism vs coexistence? The diverging paths ahead for the EU and the role of Member States' conference is organised within the framework of the collaboration with the Ministry of EU Affairs in preparation for the Hungarian EU Presidency in 2024.
