DATE OF THE CONFERENCE

7-8 May 2026

CONCEPT

A SUP Workshop continues on 7-8 May 2026, providing a dedicated platform for junior researchers to present the progress of their ongoing PhD projects. The event organized by Central European Academy of the University of Miskolc is designed to foster direct dialogue between PhD candidates and senior academics, allowing for in-depth feedback, academic guidance, and constructive discussion. This format supports young scholars' professional development and encourages collaboration and exchange between supervisors and early-career researchers across institutions. The workshop aims to strengthen mentoring practices and enhance the overall quality of doctoral research within the region.
